Get ready for a hilarious mom's night out as *New York Times* best-selling authors and podcast sensations, Kristin Hensley and Jen Smedley laugh about all of the craziness that comes with being a mom!

#IMOMSOHARD began as a popular web-series by these real-life best friends, comedians, and moms, Kristin Hensley and Jen Smedley. With a camera, two husbands, a babysitter, and bottomless mimosas, Kristin and Jen shared openly about their fears and failures to prove that the only way to survive motherhood is through laughter and friendship. The video sparked an online community with more than 300 million views. Each week, Kristin and Jen dish about the raw realities of motherhood – hemorrhoids, nipple hair, sex after marriage, mom bods, Spanx, and swimsuits. The comedians have sold-out two national tours, written a *New York Times* best-selling book, and taped a standup comedy special on Amazon Prime.
